

USTA LEAGUE TENNIS NEWS FOR 2011 PRE-REGISTRATION REQUIRED (NEW)

Due to diminishing numbers of participants in league tennis, no teams will be set up on Tennis Link unless there are sufficient numbers of players who commit to playing. If you are interested in playing league tennis this summer, you must pre-register by sending an email to jjmihalek@charter.net. In the email, include your name, residence address, home phone number, cell phone number, email address and each of the levels that you wish to play (for example: women's 3.0, mixed doubles 7.0, senior men's 4.0, etc.) and state whether you are willing to serve as a captain or coordinator for that level. If there are sufficient numbers of players who pre-register for a level, teams will be formed for that level and each of the players who pre-registered will be notified of the team number and how to register for the team on Tennis Link.

The dates and times of play are expected to be the same as in 2010; however, if there are no teams formed at certain levels, the time slots previously used by those levels would be available.

3.5 men & tri-level	Monday at 5:30 p.m.	8.0 mixed doubles	Thursday at 5:30 p.m.
4.0 men & tri-level	Monday at 7:00 p.m.	7.0 mixed doubles	Thursday at 7:00 p.m.

LEAGUE FEES

There is no fee to pre-register. If a team is formed the registration fee per player will be \$18 (plus the \$3 "Tennis Link" registration fee). Each player must also register as a member of Longview and pay Longview membership dues. Players who have not paid Longview membership dues will not be allowed to use courts on a reserved basis.
